

All Pessoa USA Sponsorship application requests will be reviewed by Pessoa USA's Sponsorship Committee and stored until an opening becomes available. Although we would love to sponsor every rider who applies, unfortunately, it is simply not possible. We will get in touch with applicants directly when we have sponsorship opportunities available and/or when we are interested in receiving more information.

Please note that Pessoa USA, does not offer sponsorship opportunities to Junior Riders or those competitors residing or competing primarily outside of the United States.
